► **Roatan, Honduras**

**Anthony's Key Resort**

Perhaps no island in the Caribbean offers more distinctive or easily accessible dive sites than Roatan. The island's reefs and drop-offs are teeming with colorful marine life and are ideally suited for novices and experts alike. The resort's fleet of modern, custom-built dive boats whisk divers to 35 sites located just 5 to 30 minutes away. Coral grows thickly on walls that begin in crystalline waters as shallow as 10 feet deep and drop to the purple depths of the Caribbean. Squadrons of eagle ray, schools of brightly colored tropical fish, the occasional meandering shark and eel gardens are just a few of the sites that delight divers.
